Legacy Christian Academy is an independent, college preparatory, accredited Christian school serving Pre-K through grade 12 with 1,400 plus students from diverse backgrounds. Founded in 1999, the school is located in the growing suburb of Frisco, Texas. As a Christ-centered school, we integrate faith and learning by teaching all subjects from a biblical worldview and by acknowledging that "all truth is God's truth." As a covenant community, we believe that all people are made in the image of God, reflect His glory, and have profound value.

PROFESSIONAL SCHOOLS PROGRAM (PSP)

While every student at LCA receives a strong liberal arts foundation, our Professional Schools Program allows students to tailor their academic experience to their future goals. This begins in the first semester of 9th grade, as we work with students to identify their strengths and interests. From there, they can choose one of four professional schools to join:

- Business
- Medicine
- Engineering & Technology
- Humanities & Fine Arts

Professional Schools offer unique course options and experiential learning opportunities through symposiums and internships.
